20. Career Guidance Cell

Major Roles & Responsibilities of Career Guidance Cell:

- The career guidance cell provides relevant academic and career information to enable Students to make informed decisions along the way.
- Our focus is to provide learning/training opportunities in the areas of academic, career and personal/ Social development and to prepare students to meet their future challenges.
- The career guidance cell of the college is constituted with a placement officer and faculty members of the college to provide necessary guidance and information to the students in shaping the future career. The team keeps up to date with employment trends and options to ensure quality advice to students.
- The Career Guidance Cell provides commendable services in areas of Campus Interviews; Job Placements and training programmes for our students that enable them to develop applicable skills in the competitive job market.
