- 4) The Management of the College should also attempt to attract senior faculty members by providing free family quarters, higher salary, free education to their children Provident fund, leave encashment etc.
- 5) The College should provide necessary facilities by way of equipment, library, faculty etc. before the commencement of the new degree courses in Computer Science & Engineering and Electrical and Electronics Engineering.
- 6) Metrology lab. is to be air-conditioned; Xerox Machine is to be provided in the Library; Electrical Machines lab. is to be augmented; Physics lab. has to be shifted to RCC type building. Wood Working Lathe has to be provided in the Carpentry section.
- 7) The intake for each branch as approved by AICTE should be strictly adhered to and there should be no deviation from this number.
- 8) No new course should be started without obtaining prior approval from the AICTE.
- 9) The Management shall follow strictly any further conditions as may be laid down by the AICTE from time to time.
- 10) The charging of fees and procedure for admission of students should be strictly followed as per the provisions laid down by the Supreme Court of India in its judgement dated February 4th, 1993 in Writ Petition (C) No. 607 of 1992.

The College should submit a progress report about fulfillment of the above stated conditions so that an Expert Committee of SRC (AICTE) can visit the College during the academic year 1993-94 to review the progress made in fulfilment the conditions laid down by the AICTE and recommend continuation of the AICTE approval or otherwise.

In the event of non-compliance by the Trust or the Institute with the above conditions of the AICTE, the AICTE will be free to take measures for the withdrawal of its approval without consideration of any related issues and that all the consequent liabilities would be that of the Trust and/or the Institute.

You are requested to kindly take necessary action to implement the decision of the AICTE under intimation to Southern Regional Committee of the AICTE and to this office.

Yours faithfully,

B.L. Rama
