Sir,

I am directed to say that in fulfilment of the Constitutional responsibility for coordination, determination and maintenance of standards in Higher and Technical Education, the Central Government and the All India Council for Technical Education (AICTE) have taken, from time to time, several measures. Following the revision of pay scales of Central Government employees on the recommendations of the 5th Central Pay Commission, the Central Government has revised the pay scales of teachers in Central /Universities and colleges thereunder and has offered to provide financial assistance to those State Governments who wish to adopt and implement the same in their respective States.

2. It has now been decided by the Central Government, after taking into consideration the recommendations made by the AICTE and the revised pay scales of teachers in Central Universities and colleges thereunder, to revise the pay scales of teachers in the Centrally-funded degree level technical institutions. A copy of the scheme giving details of the revised scales of pay and other related provisions is enclosed (Annexure).

3. The Central Government has decided to provide financial assistance to the State Governments who wish to adopt and implement the scheme of revision of pay scales subject to the following terms and conditions:-

(a) The Central Government will provide financial assistance to the State Governments which have opted for these revised pay scales to the extent of 80% of the additional expenditure involved in the implementation of the revision.

(b) The State Government will meet the remaining 20% of the expenditure from their own sources.

(c) The financial assistance, indicated above, would be provided for the period from 1.1.1996 to 31.3.2000.

(d) The entire liability on account of revision of pay scales, etc., of teachers of degree-level technical institutions would be taken over by the State Governments w.e.f. 1.4.2000.

(e) The Central assistance would be restricted to revision of pay scales in respect of only those posts which were in existence and filled up as on 1.1.1996.

4. The State Governments, after taking local conditions into consideration, may also decide in their discretion, to introduce scales of pay different from those mentioned in the Scheme, and may give effect to the revised scales of pay from January 1, 1996, and from 27.7.1998, as the case may be, or a later date. In such cases, the details of the modifications proposed either to the scales of pay or the date from which the Scheme is to be implemented, should be furnished to the Government of India for its approval and, subject to the approval being accorded to the modifications, Central assistance on the same terms and conditions as indicated above will be available to the State Governments for implementation of the Scheme with such modifications, provided that the modified scales of pay are not higher than those approved under the Scheme.

5. The payment of Central assistance for implementation of the Scheme is also subject to the condition that the entire Scheme of revision of pay scales, together with all the conditions to be laid down in this regard by the AICTE is implemented by the State Governments as a composite scheme without any modification except to the date of implementation and scales of pay as indicated above.

6. It shall be necessary for the technical institutions to make necessary changes in their statutes, Memorandum of Association, Rules/Scheme, Regulations, Bye-laws etc., as the case may be, to incorporate the provisions of this scheme.

7. The detailed proposal for implementation of the Scheme on the lines indicated above may kindly be formulated immediately and sent to the Department of Education in the Ministry of Human Resource Development for examination so that Central assistance to the extent indicated above can be sanctioned for the implementation of revised scales of pay.

8. Anomalies, if any, in the implementation of the Scheme may be brought to the notice of the Department of Education in the Ministry of Human Resource Development for clarification.

9. This scheme applies to teachers in all degree level technical institutions and colleges, University Faculties/Departments/Institutions which are covered under the AICTE Act.
